SUPPLEMENT TO
REPORT NO.

1. The attached rough sketches of Balkhash (46-49N, 75-00E) and Dzhezkazgan (47-51N, 67-14E) show installations in these towns, most of which are listed in the Industrial Register's catalogues. These sketches are being sent to you for retention on the chance that they may add something to your records.
2. Since we are currently interested in judging the value of the project through which these were acquired, we should greatly appreciate your comments on these sketches.
